

SCOPE OF SERVICES

PUBLIC/MUNICIPAL

| | CONCEPTUAL | ENGINEERING | CONSTRUCTION | OPERATION |
|-------------------------------------|--|---|---|---|
| AIR QUALITY | Permitting: Title V, Minor Source, Permit-By-Rule, Standard Permit, PSD, NNSR Technical Assistance for Public Outreach Regulatory Analysis & Interpretation | Permitting: Title V, Minor Source, Permit-By-Rule, Standard Permit, PSD, NNSR Technical Assistance for Public Outreach Regulatory Analysis & Interpretation Air Dispersion Modeling BACT & LAER Analysis | Measurement and Monitoring | Regulatory Analysis & Interpretation Compliance Assistance Trainings NSPS/NESHAP/MACT Compliance Support Measurement and Monitoring Audits and Inspections |
| SITE EVAL. | Phase I ESA | | Phase II ESA RECAP Investigation | Phase II ESA RECAP Investigation Remediation/Corrective Action |
| NATURAL RESOURCE & COASTAL SERVICES | Wetland Delineations/Jurisdictional Determination Requests Threatened & Endangered Species Consultations/Surveys Public Outreach Desktop Surveys and Fatal Flaw Analyses Needs and Justification Analyses UAS Surveys & Imagery | USACE Section 10/404 Permitting Compensatory Wetland Mitigation Assistance Habitat Assessments & USACE Habitat Valuation Models USACE Section 408 & Levee Board Permitting LDNR-OCM Coastal Use Permitting UAS Surveys & Imagery Best Management Practices Plans NEPA Environmental Assessments & Environmental Impact Statements USFWS Endangered Species Act Section 7 Consultations/Biological Assessments | Threatened & Endangered Species Surveys, Monitoring, and Reporting Environmental Inspections for BMP Compliance | Environmental Inspections Post-permit Issuance Compliance Assistance |
| WASTE | Solid & Hazardous Waste Permitting | Containment Pond Design Access Roadway Design | Construction Waste Plans & Compliance | Preparation of Compliance Plans Preparation & Audits of RMP Plans Waste Management/Profiling Waste Compliance Audits |
| WATER | Water Discharge Permitting Preparation of SWPPP, SPCC, SWM, BMP Plans Water Quality Monitoring | Wastewater Treatment System Design Permit Compliance Design Assistance | Preparation of SWPPP, SPCC, SWM, BMP Plans | Water Discharge Compliance/Monitoring Reports Modification of SWPPP, SPCC, SWM, BMP Plans Water Discharge Sample Collection Ambient Monitoring Storm Water Inspections SWPPP/SPCC Training Cross Connection Surveys Wastewater Operations & Maintenance Backflow Prevention AST Tank Inspections STI SPO01 MS4 Assistance |
| ENGINEERING/SURVEYING | ALTA/ACSM Land Title Surveys Preliminary Cost Estimating Feasibility Analysis Site Specific Mitigation Design | Design/Build Services Drainage Impact Analysis/Studies Highway Access Connections Permitting & Design Levee Crossings Slope Paving/Armoring Horizontal Directional Drill (HDD) Design Wetland Mitigation Design Topographic, Boundary, & Bathymetric Surveys Right-of-Way Acquisition | Contractor Bidding Assistance Construction Administration Construction QA/QC Project Representation Construction Layout/Stakeout As-built Surveys & Drawings | Utility Probing/Location Services Civil Engineering Maintenance Drainage, Roadway, & Foundation Modifications & Improvements Pump Station Analysis & Design UAS Post-Construction Restoration Documentation |
